### **Auction # 61**

**Notes:**

**I have added the following Catalog for identifying stamps in our Auctions:**

**EF=EDIFIL Fiscales-Luis Alemany Indarte**

**I would like to point out that grading on SCW Stamps is very difficult as some issues are very rare and I am looking at these for the first and possibly only time so the Vf, F, grading does not work very well. I have tried to list all flaws, such as thins, creases, and toning spots.**

**I have used catalog numbers for identifying stamps from all major catalogs, Scott and Edifil for regular issues and Sofima, Gomez-Guillamon, Domenech, and Allepuz for SCW material. Numbers do not always cross-reference nicely as discrepancies exist amongst all of these relating to colors and printing variations. Some are cataloged by all of them some by only one, and rarely by none.**

**Feel free to contact me regarding any questions on the material offered.**

**Thank You for your participation in the SPS. Enjoy the Auction!**
